Good Morning Ms. Hayden,

I write to ask for any assistance the EPA can provide to the Lansing Club. The Club has a meeting next week at the Town of Lansing regarding their proposal to relocate the shooting fields in order to mitigate any impacts. It is my understanding there will be opposition to the relocation, even though it will be the best for the environment. If there is anything you or Mr Guster can do to assist in showing that the Club's proposal is the preferred option, it would be appreciated.

Thank you and please let me know if you would like to discuss this.

Mike.
